Please read the below in full before submitting your payment to ensure it is processed accurately:

1. If you do not already have a user account for the OHBM website, you will need to create one. When you click on the payment link, you will have the option to do so. You are able to have a login without becoming a member. **This is a separate login from the submission site.**
2. If you have more than one abstract that you need to pay for, there will be a spot on the payment screen where you will indicate this. The payment screen will automatically calculate the total (i.e. you will type 1 for 1 abstract with a $40 total, type 2 for 2 abstracts, etc.).
3. **Only select the payment options of Visa, Mastercard, Discover Card, AMEX, or Wires and ACH.** If you do plan to wire/ACH, please email us at info@humanbrainmapping.org and we will send you the wire or ACH information needed. You will still need to fill out the payment form and indicate in the "payment method" dropdown that you will be sending a wire/ACH. We **cannot** accept any other methods of payment listed on the form.
4. The payment is due by Friday, January 10, 2025, at 11:59pm EST, USA.
